All of Michael's and the team's work is **research-driven, science-based and strategies focused**.

"This was the BEST workshop I've had in my entire 25 years as a school counselor. It was science-based, data driven and applicable for my very next session with students." — Kelly, Guilford County

"These insights and innovations have been applied in our classrooms with phenomenal success, leading to better academic performance and better behavior." — Dan Colgan, Ph.D., former Superintendent of Schools

"Michael Gurian's work in gender is at the leading edge of our profession and can significantly affect the field of Psychology." — Tracey J. Shors, Ph.D., Department of Psychology, Center for Collaborative Neuroscience, Rutgers University

"Michael is passionate and personable. He has helped me raise my children, improve my marriage, and become a better leader." — Sally, 42, coaching and training client
